

WorldPop Data Deep Dive May 2021 Agenda

Day 1 - Virtual Meeting due to Covid Travel Restrictions

Timing	Session Topic
8:50-9:00	Gather
9:00-10:30	Setting the Stage Reiterate ERG's purpose, provide an overview of the work the ERG has undertaken and where it is heading. Vio kicks off to say WHY this topic is important, for me to say HOW the meeting will run, then we turn it over to Andrew Tatum.
10:30-11:45	Overview of WorldPop Approach and Findings Review of the work done by WorldPop to better understand the equity patterns across geographies. 20 minutes of presentation followed by question and answer from the group.
11:45-12:00	Coffee Break
12:00-12:50	Potential Applications to the Work we Do Members discuss how it might be used in practice by ERG members, their institutions, and the broader global health community.
12:50-1:00	Next steps and closing
